It takes
**Knowing
Who You Are**
before you can

HANDLE MONEY
with confidence.

Are you putting away today to buy that fridge tomorrow... or are you putting money aside for it to grow and earn more? Are you willing to take lots of risk in order to get higher returns or do you prefer slow but steady growth?

These are some of the questions that you have to ask yourself before you invest. And the SEC can provide you with the guidelines that you may consider important in making an educated decision.

IT TAKES KNOWING YOUR GOALS IF YOU ARE TO
INVEST WITH CONFIDENCE!
